هویت بصری جدید آترون

Atron new visual identity

هویت بصری نماینده برجسته ترین تصویر از نام تجاری ما می باشد. تنها موردی که می تواند بلافاصله ارتباط با شرکت، محصول و یا فعالیت ما را فراهم کند.

مجموعه آترون با هدف بزرگ شدن بر اساس ۳ اصل: تفکر، خلاقیت و تولید اقدام به طراحی هویت بصری جدید کرد تا تصویری منسجم با ساختاری درست از آترون داشته باشیم.

از این رو با طراحی هویت بصری جدید مجموعه آترون و رعایت استانداردها و چارت های سازمانی زین پس با نشانه جدید، تصویری هماهنگ میان داخل و خارج مجموعه خواهیم داشت.

Visual identity is the most outstanding voice for our business name. It is the only immediate way which provides relation between our products, company, and our activities.

Atron complex with the purpose of developing started to design new visual identity with 3 factors of : creativity, production, and idea which helps us to have an organized visual about the company.

Therefore, we will have consonant visual between inside and outside of the complex with designing new visual identity, following standards, and organizational charts.
